Haifa Khiari

SUMMARY

Eager junior frontend developer passionate about crafting engaging user experiences and contributing to innovative projects. With a strong foundation in frontend technologies and a drive for continuous learning, I am seeking opportunities to apply my skills and grow within a dynamic team environment. Ready to bring creativity, dedication, and a collaborative spirit to software development endeavors.

PROFESSIONAL EXPERIENCE

VISIOAD-Frontend Developer

Sousse, Tunisia | 09/2023 – Current

- Developed e-commerce projects utilizing Next.js framework, including a dashboard and store interface for both admin and customer use.
- Created an admin dashboard for managing products, categories, users, and other aspects of the e-commerce platform, providing comprehensive control over the platform's functionalities. ✎ Designed a customer dashboard to enhance the shopping experience, enabling users to manage their accounts, track orders, and interact with the platform's features seamlessly.
- Implemented authentication using Clerk for both admin and customer dashboards, ensuring secure access and data protection.
- Integrated Cloudinary for efficient image management, enabling seamless handling of product images across the platform.
- Implemented advanced filtering functionalities allowing users to filter products by name, category, subcategory, and price, enhancing the browsing experience.
- Integrated translation feature using Next.js internationalization (nextIntl), enabling users to view the app in multiple languages and enhancing accessibility for a global audience.
- Consumed APIs from the backend to retrieve and update data, ensuring real-time synchronization between the frontend and backend systems.
- Collaborated closely with backend developers to design and implement APIs, ensuring efficient data exchange and optimal performance.
- Participated in code reviews and provided constructive feedback to optimize code quality and maintainability.
- Employed version control systems such as Git for efficient code management and collaboration with team members.
- Actively contributed to the improvement of development processes and best practices within the team.

Keywords: Next.js, Clerk, Cloudinary, React.js, Dashboard, E-commerce, Authentication, Filtering, Translation, API Consumption, Backend Integration, Git, Responsive Design, TailwindCss, Collaboration

Enova Robotics -Development intern – End of Studies project

Sousse, Tunisia | 02/2023 – 06/2023

- Developed a web and desktop application for remote robot monitoring and diagnostics.
- Utilized React.js for a user-friendly frontend, providing real-time control and insights.
- Employed Node.js and Express for robust backend communication with the database.
- Integrated MySQL to manage diagnostic data, ensuring integrity and accessibility.
- Created RESTful APIs for seamless external system communication.
- Used MQTT for efficient real-time data exchange with robots.
- Utilized GitHub for version control and collaborative development.
- Worked with Enova Robotics' systems and ROS for smooth integration and interaction.

Keywords: React.js, Node.js, Express, MySQL, REST API, MQTT, GitHub, ROS, Web Application Development, Desktop Application Development, Remote Monitoring, Diagnostics, Robotics Communication.

EDUCATION

National Engineering Diploma in Computing

ISITCOM Hammam Sousse, Tunisie | 2020-2023

Applied License in Computer Networks

ISITCOM Hammam Sousse, Tunisie | 2017-2020

COMPÉTENCES

- **Programming languages :** Java , JavaScript
- **Frameworks :**NextJs-ReactJs-ExpressJs-Wordpress
- **Packages and UiLibraries :** TypeScript- nextAuth- nextUi-ShadcnUi - nextIntl-ChartJS -TailwindCss-FramerMotion
- **Databases :** MongoDB-MySQL
- **Version Control Systems:** Git - GitHub
- **Methodology:** Scrum
- **Design :** Figma

CERTIFICATES

- **L’essentiel de ReactJS-** LinkedIn
- **Reactjs+Redux-**SoloLearn
- **Mern Stack -**Pizart
- **AWS Academy Cloud Foundations-**Aws Academy
- **Cloud computing foundation-**TunisianCloud
- **CCNA 1- CCNA 2**
- **Scrum Foundation Professional Certificate -**CertifProf

LANGUAGES

- **Arabic :** Mother tongue
- **French :** Advanced level
- **English :** Intermediate level
